Capital Appearance—The Beatles performed for a youthful audience in Washington on the night of February 12.

Opening for Juniors—These college juniors join the Peace Corps' new summer project for six to eight weeks of training similar to that for regular Peace Corps volunteers. They later did survey work near Taos, N.M. After graduation they will be sent to Latin America.

Ranger on Target—This is a photograph of the lunar surface taken by the Ranger 7 spacecraft prior to its impact on the moon July 31st. The area shown is about one and two-thirds miles on a side. The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

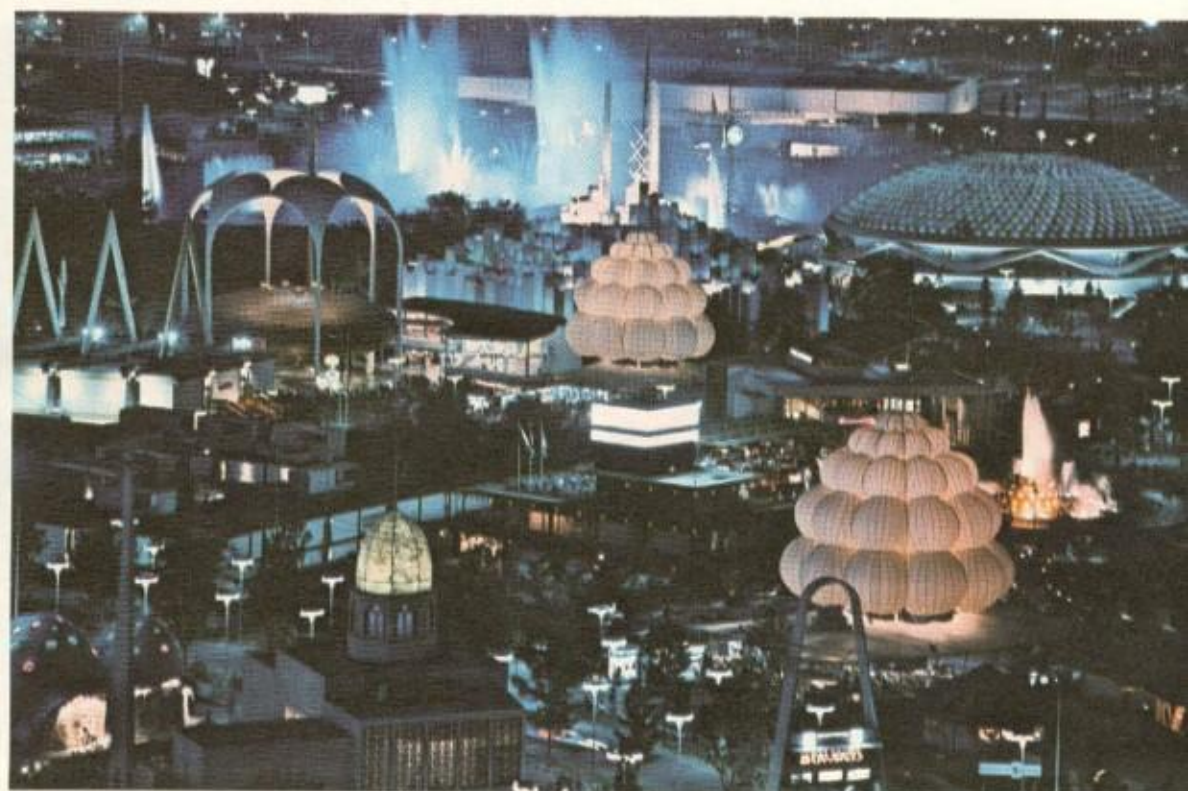

Family Grieves—Gust Carlson, father of Dr. Paul Carlson, medical missionary slain by rebel troops in the Congo, dabbed at his eyes during a news conference in Los Angeles on November 24. He is flanked by his daughter and another son.

New Teen-Age Queen—Smiling Carolyn Mignini, 17, of Baltimore was crowned the new Miss Teen-age America of 1965 in Dallas on November 13.

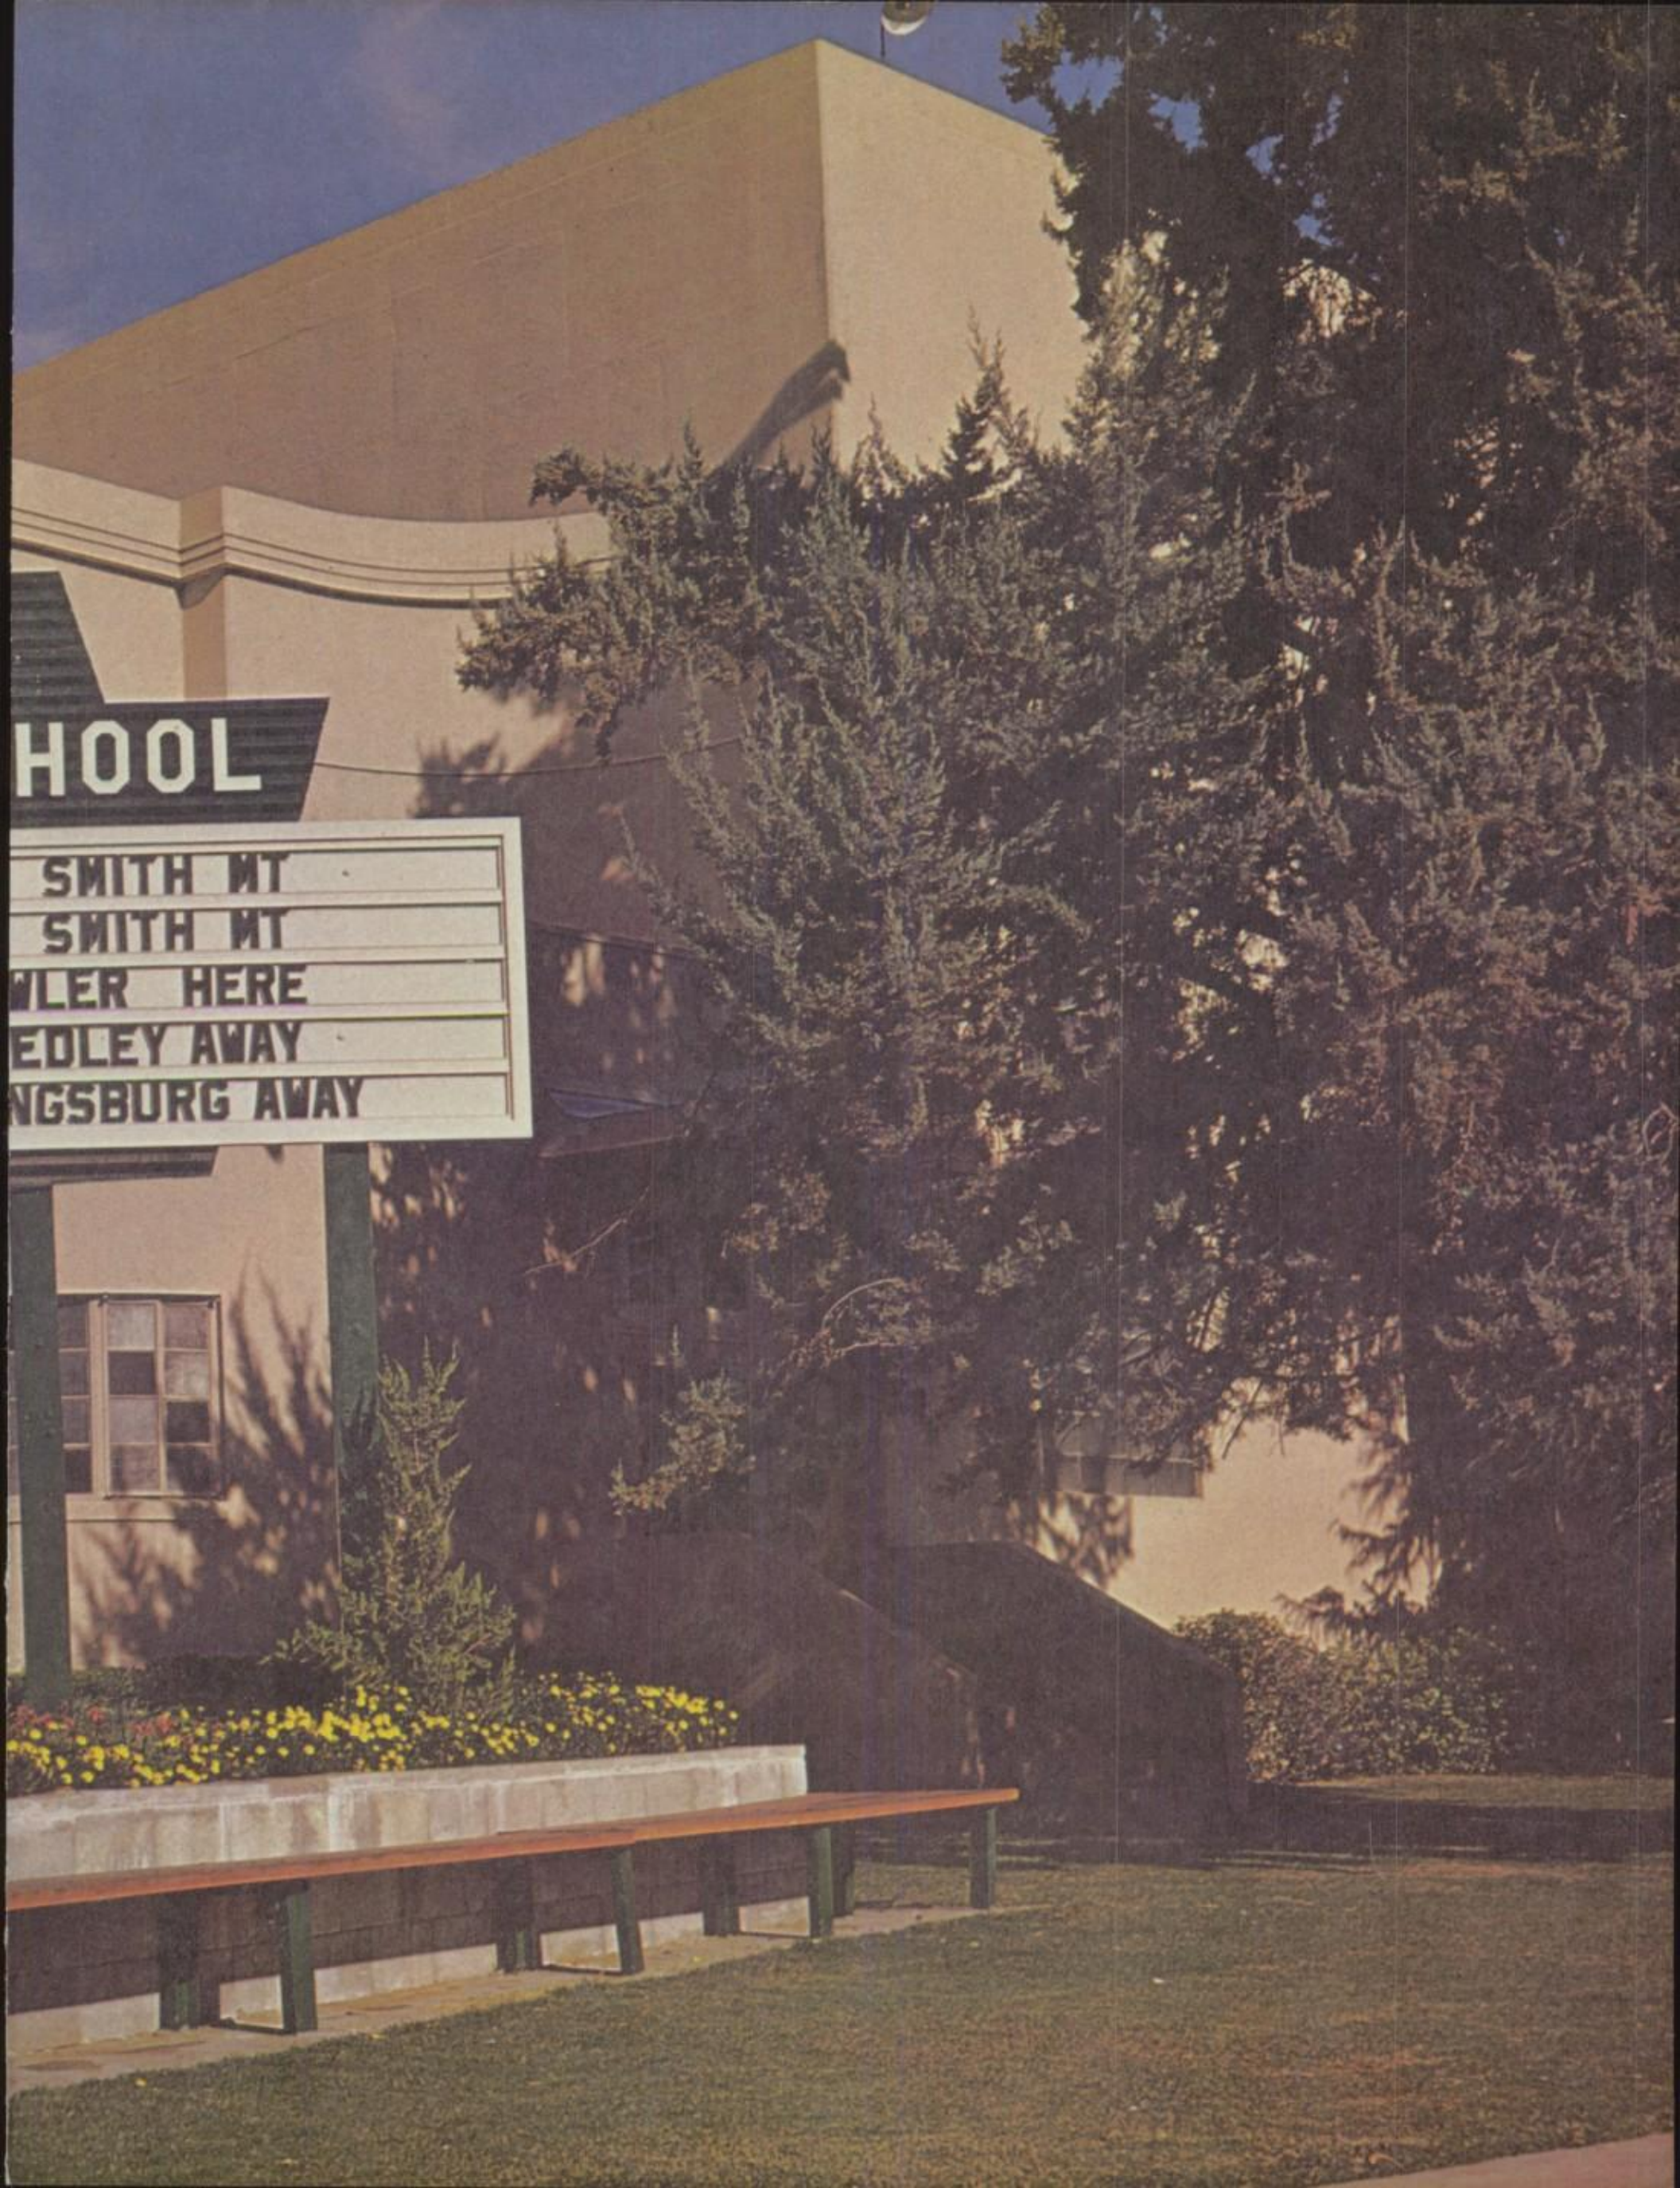

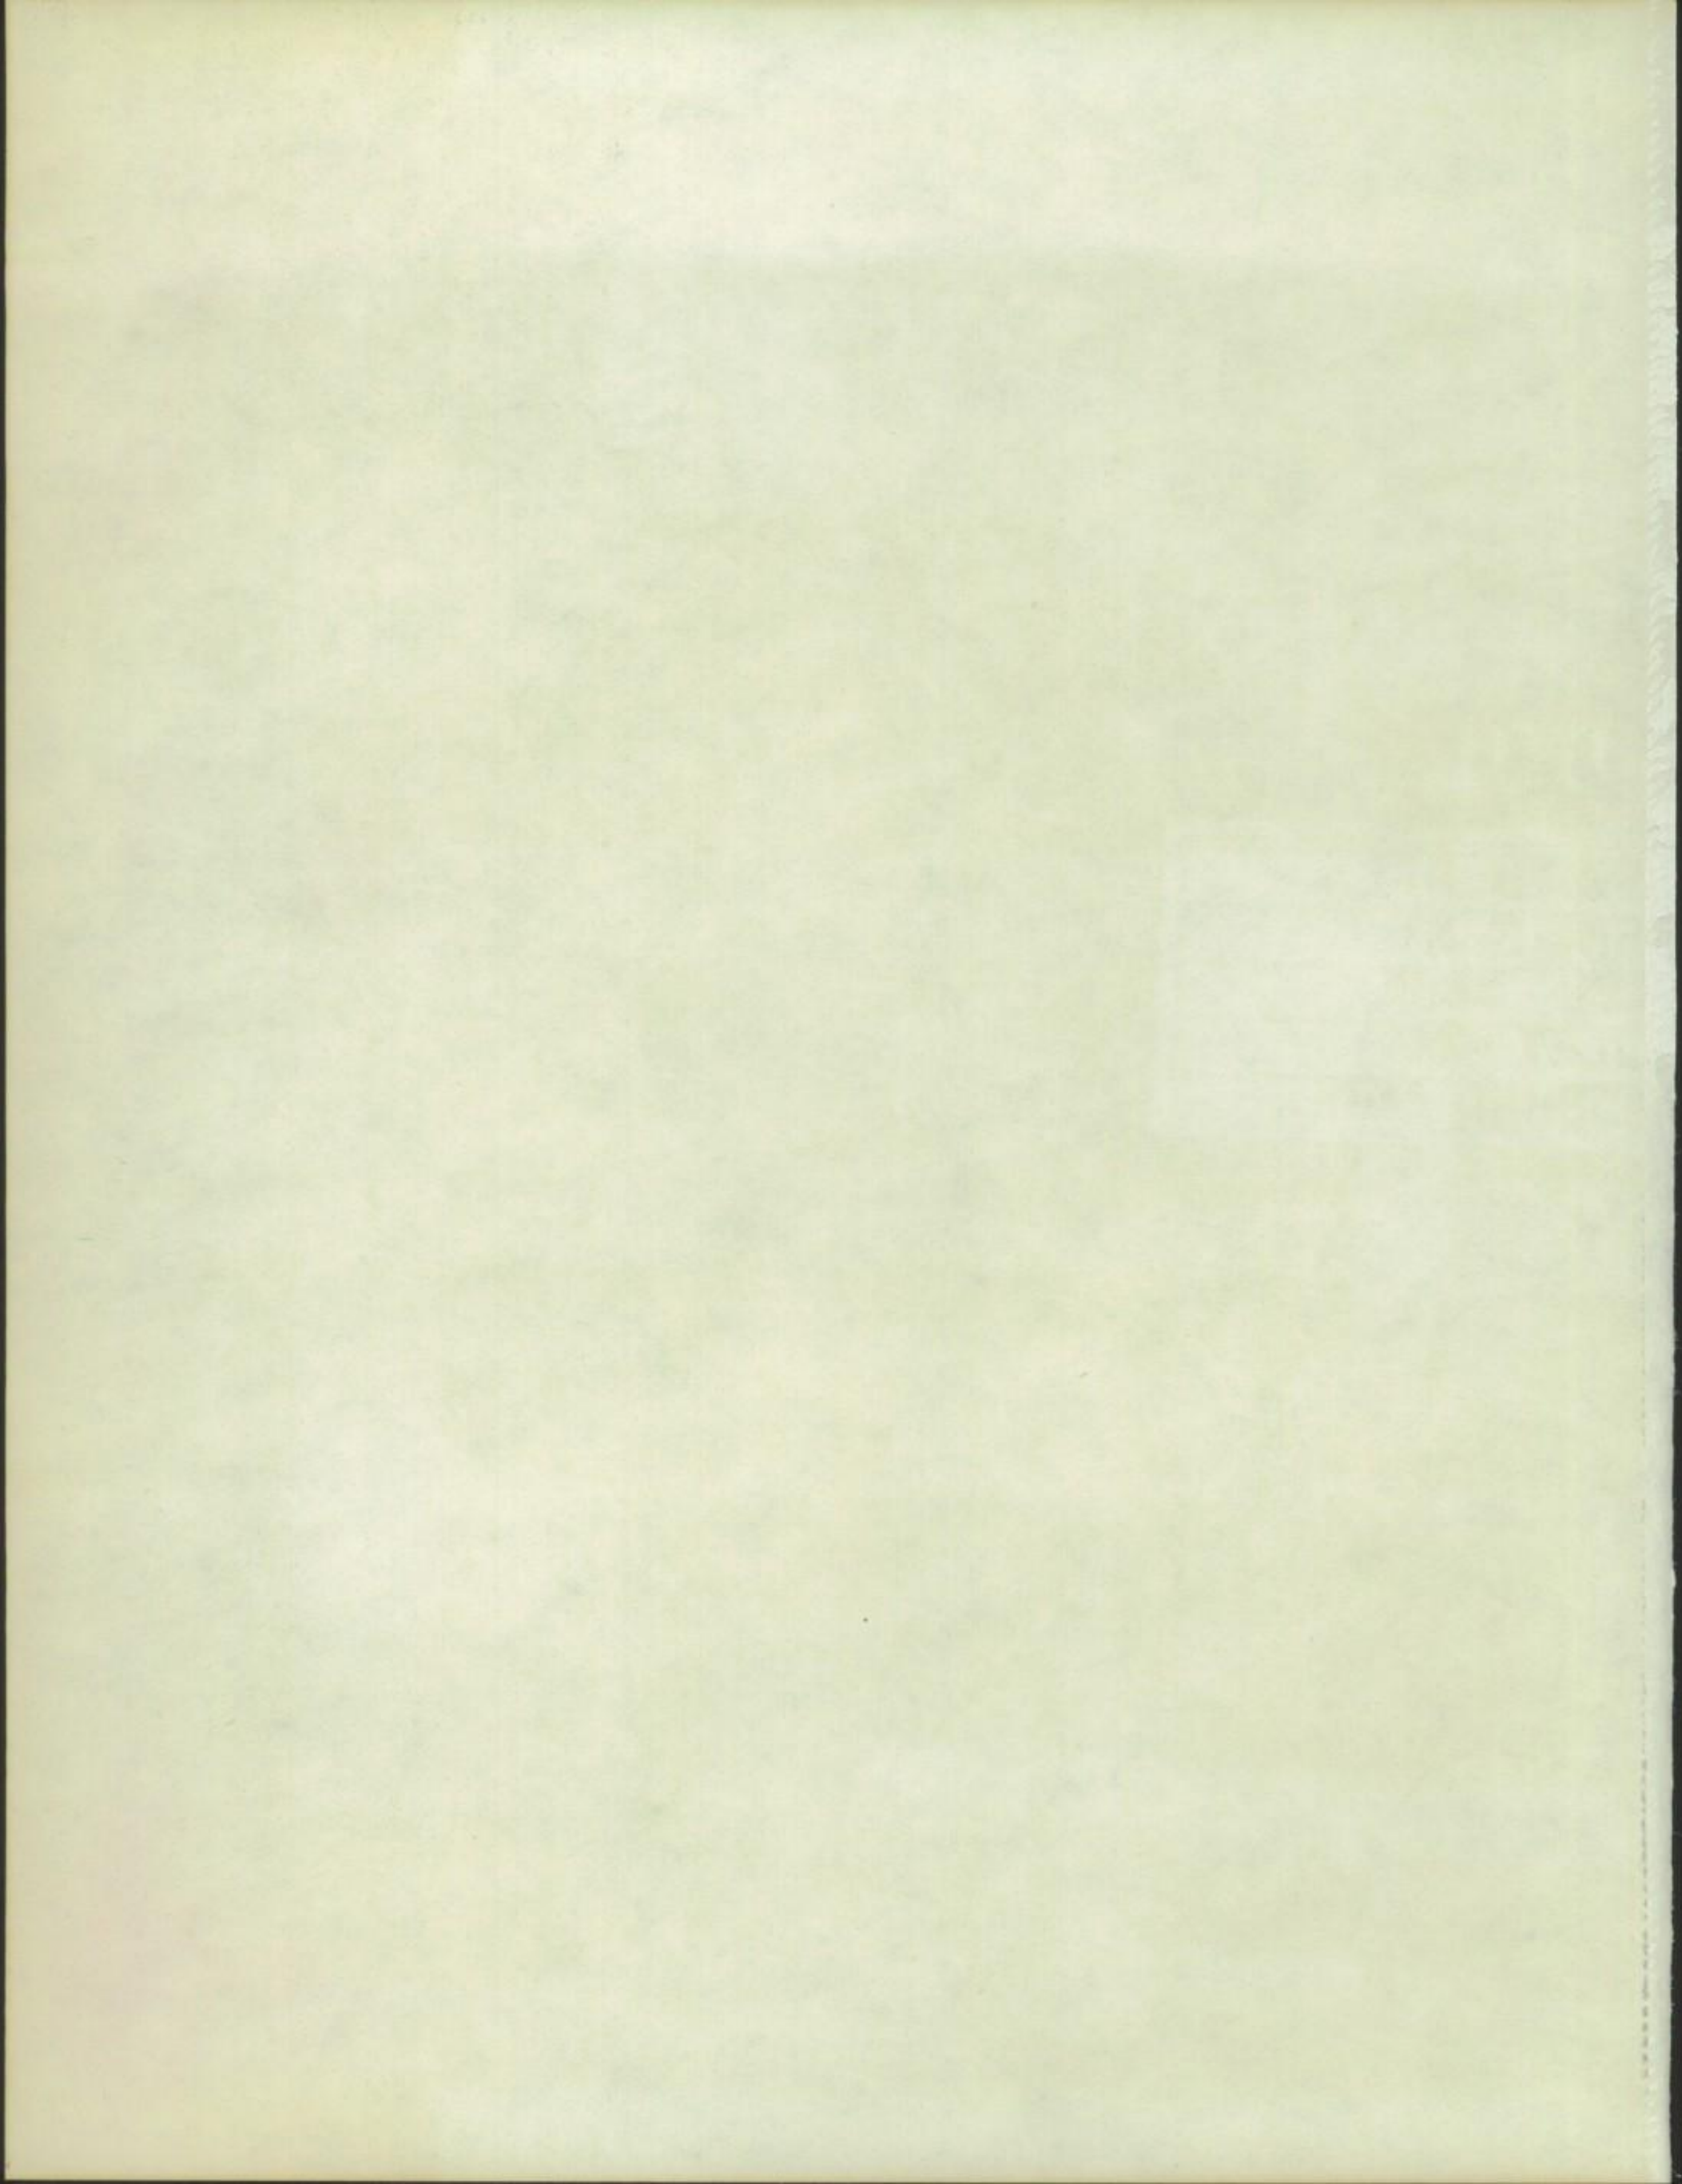

World's Fair at Night—The New York World's Fair attracted as many visitors at night as it did during the day following its April opening. The nighttime lights set off the beautiful pavilions constructed by many countries.

DELPHIC ECHOES

1963

"All the world's a stage, and all the men and Women merely players. They have their exits and their entrances, and one man in his time plays many parts."

We, the students of Dinuba High School, comprise but a small part of the large cast of the play, LIFE, and this year here is but one of its many acts.

As freshmen, we are entrusted with only small bit parts, but as we grow and develop, we are taught the basic fundamentals of the play.

As sophomores, we are promoted to supporting roles. We are taught the more complex ideas of LIFE by the advice and experience of others.

In our junior year, as co-stars, we are second highest in importance. Because we have more experience and more confidence, we find ourselves able to put our teachings to good use.

As today's stars, we, the seniors, stand before the footlights in nervous expectation, for the songs we sing and the lines we say, may well be the key to our future.

We, the staff of the 1963 Delphic Echoes, have endeavored to present you with a graphic remembrance of your year at DHS. If we have succeeded, we may add a "finis" to this act of the play.

Dedication

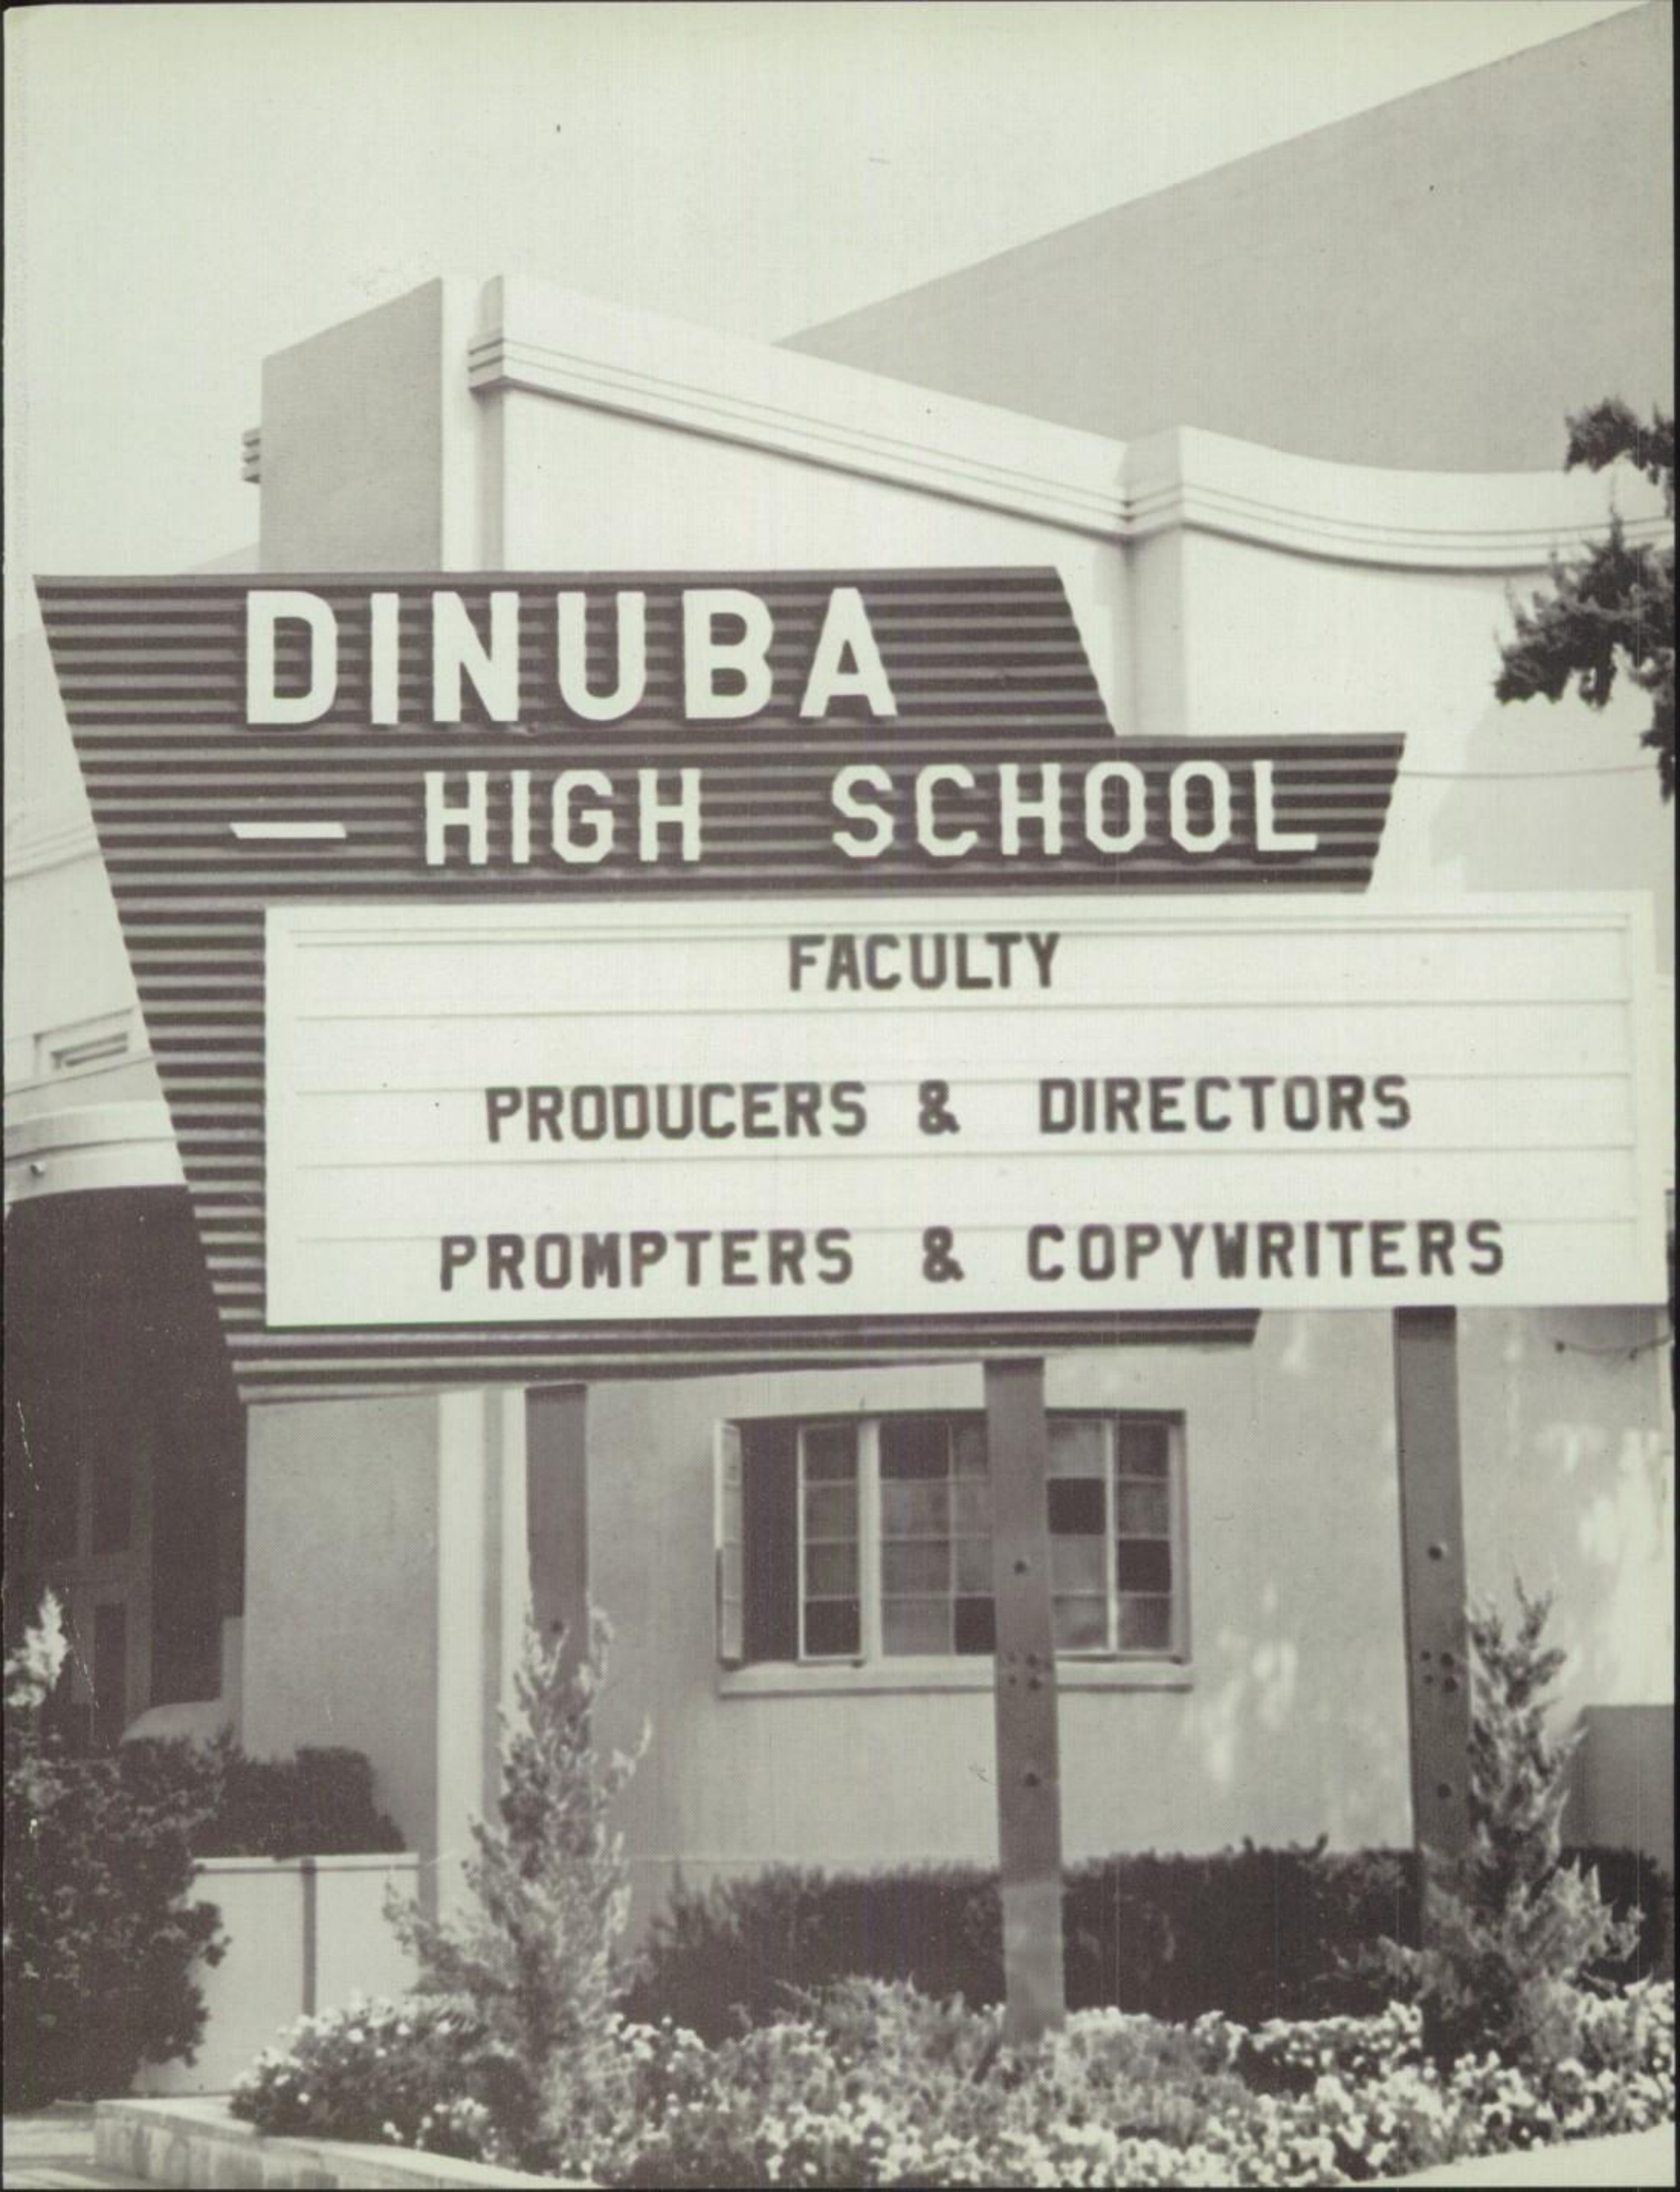

Voris S. Peden

During the past six years, the students of Dinuba High School have come to love and honor Mr. Voris Peden, whom, in accordance with our theme, "All the world's a stage...", we have chosen Director.

Mr. Peden directs the affairs of the school with wisdom and intelligence. He is the "little man behind the scenes" who gets the credit for everything that goes wrong, yet, he always has a kind word and a smile for everyone.

It is our pleasure to dedicate this 1963 Delphic Echoes to Mr. Voris Peden, Principal.

The sign has a dark, horizontally-ribbed top section with the word 'DINUBA' in large, white, sans-serif capital letters. Below this, the words '— HIGH SCHOOL' are written in white, sans-serif capital letters on a lighter background. Underneath the main sign is a large, white rectangular panel with horizontal lines. This panel contains the text 'FACULTY', 'PRODUCERS & DIRECTORS', and 'PROMPTERS & COPYWRITERS' in bold, black, sans-serif capital letters. The building's facade is light-colored, and there is a window with dark shutters visible on the right side. In the foreground, there are some bushes and a small tree.

1965 DELPHIC ECHOES

Editor, Sande Golden

Assistant Editor, Linda Powers

DEDICATION

It gives us great pleasure to dedicate this 1965 Delphic Echoes to someone who in the past few years of his teaching here at Dinuba High School, has gained the respect and friendship of many students and faculty members. Mr. Kiehn, we the students honor you for the simple reason, that you have helped us to gain an education, unity, and morality. In relation to our theme, Mr. Kiehn is an example of a guiding light in the future of many students. We thank you for being the great individual that you are.

Sincerely,

The Staff

WHITE HOUSE WORKERS

Seated l. to r.: Mary Branum, Switchboard; Yvonne Wright, Secretary; Standing: Carolyn Simmons, Clerk; Fern Coffey, District Accountant; Varsanig Jiggerian, Secretary.

WHITE HOUSE

The two-story frame house at 157 South J Street, purchased for housing teachers during the war period, has been offered for sale several times, but the bids were considered too low. It was decided that it would be wise to convert the building into administrative offices for both schools, thus releasing considerable space for other purposes and providing one central location not connected with any school building. In addition to the large work room and front office, there are three offices downstairs for the superintendent, business manager, and accountant. The upstairs has been converted into a large board room. It also has kitchenette facilities.

CUSTODIANS

Clinton Cates,
Principal

Our new principal projects the spirit of Dinuba students and faculty. In addition to assuming the responsibility for the smooth, efficient operation of Dinuba High, Mr. Cates is deeply concerned with progress in secondary education. Up-to-date curriculum and top-level instructions are his goals. He is admired by the student body and respected by the members of the faculty.

William Asher
Vice Principal

Our vice principal is someone everyone knows. He is commonly found in his new office; if not there, he is out scouting around campus, looking for the unknown (such as the Senior Bench). He is very often found at Pep rallies and Student Council meetings, and is a helpful member of the administration whom we are very proud to have as one of our leaders.

Miss Pearl Kroeker,
Secretary to the principal

Miss Kroeker capably coordinates the responsibilities of the principal's office. There is always a pleasant, cherry atmosphere with her on the job.

Mrs. Ann Day
Secretary to Mr. Asher

Now here's the secretary everybody knows. Everyone likes that cool-head Mrs. Day. If she's not typing, she's having a coffee break.

Mrs. Eichenberger

If you ever need help, you can always count on an excellent counselor. Her job is to guide you in your course of study, and help you with any problems that may occur.

Mrs. Oh
Secretary
for
Counselors

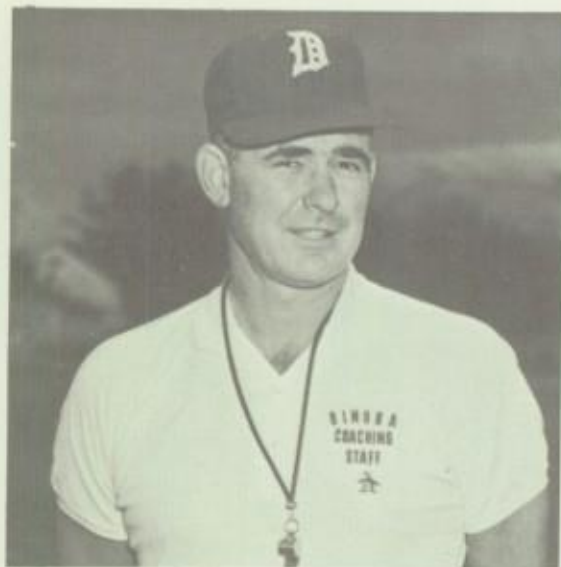

A secretary who is always willing to work. She's always happy, never makes a mistake, and is pleasant and neat. She's always busy as a bee.

Mr. Norton

Who's that tall man who walks so fast that you have to run to keep up with him? He's Mr. Norton. He's a good counselor, and is easy to talk to.

DONNA RAWSON

NAMED

RAISIN DAY QUEEN

Donna Rawson is the daughter of Mr. & Mrs. John E. Rawson. She was born October 14, 1947, in Santa Maria, California. Her height is 5' 4", and her favorite pastime is dancing, and twirling a baton. She says that everything about the running for queen was thrilling except the book report she had to write for Mr. Martens, Naturally the trip to Hawaii was the biggest thrill. She plans to go to Reedley Jr. College for two years and then go to a political science college in San Francisco and major in Political Science.

Cathi Chimienti is the daughter of Mr. & Mrs. Frank Chimienti. She was born August 12, 1946, in Fresno, California. She is 5' 4" tall and her favorite pastime is talking and teaching Italian to Gary. The most exciting thing about running for Raisin Day Queen was the night of the coronation and being on television. Her reaction to winning is a good subject theme for English! Her plans for the future are to attend Marinella's Beauty College in San Francisco and become a cosmetologist.

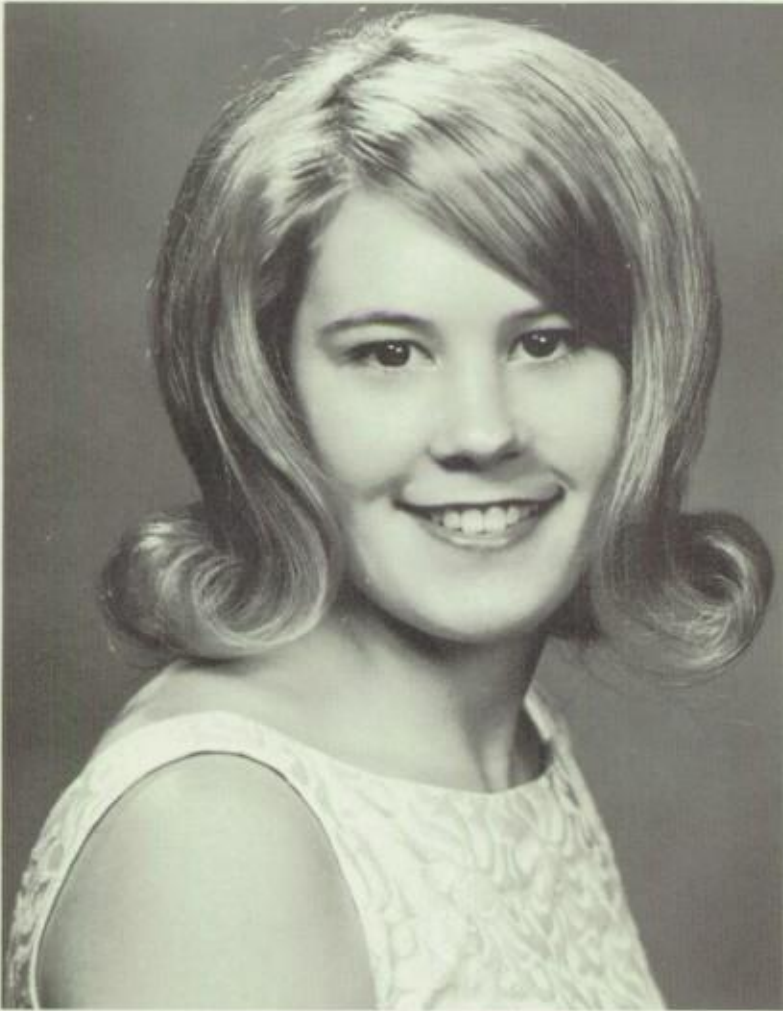

Gayle Glanzer is the daughter of Mr. & Mrs. E. A. Glanzer. She was born January 7, 1947, in Reedley, California. Her height is 5' 4", and her favorite pastime is munching on diet pills. Her most interesting thing about running for Queen was meeting and talking with a great number of people. Her reaction to winning when asked, "Its hard to tell." Her future plans include becoming an instructor for a beauty college.

They Died in '64—These world figures died during the year. From left are Prime Minister Nehru of India, General Douglas MacArthur of the United States and former President Herbert Hoover.

Tokyo, Japan—William H. Mills (left) of the U. S. A., led Mohamed Gam-moudi of Tunisia across the finish line to win the Olympic 10,000 meter event on October 14.

Swampy Victory—A group of Viet Cong prisoners sat quietly in Camau last October while guarded by armed South Vietnamese troops. The prisoners were among those captured during a major battle on the Camau peninsula.

Reunions at the Wall—An East German mother embraced her West German children last November at the Helmstedt railway station after the border dividing East and West Germany was opened for the first time since 1961 for East Germans.

Change of Power—Alexei Kosygin, 60, left, and Leonid Brezhnev, 57, respectively, were named to be premier of the Soviet Union and secretary of the Communist party on October 15. They took over the posts vacated by the resignation of Nikita Khrushchev.

Space Team Welcomed—Cosmonauts Konstantin Feoktistov, Col. Vladimir Komarov and Dr. Boris Yegorov, left to right, waved to the crowd from an auto during their greeting in Moscow on October 19. The trio had just returned from a 16-orbit flight in space in the "Vokshod."
